Professional Summary

Motivated ICT professional completing the GIZ-sponsored Step Up II program at mLab, training in cloud computing, system administration, and digital skills. Brings hands-on experience in web development with React, TypeScript, and Firebase, alongside strong administrative skills in MS Office, data capture, and Zoho CRM. Skilled in REST API integration, Redux state management, and building reusable components. Seeking a placement with an SME where I can apply a blend of technical and organizational skills to drive digital growth and efficiency.

Technical Skills

Category	Skills
Frontend	React, TypeScript, JavaScript ES6+, HTML5, CSS3
State Management	Redux
Backend & Cloud	Firebase, Firestore, REST APIs, Microsoft Azure (training)
Tools	Git, GitHub, MS Word, MS Excel, Google Workspace, Zoho CRM
Other	Data Capture, Cybersecurity, Component-based architecture, Problem-solving

Projects

Live demos available on my portfolio: [my-portfolio-2026-dfc71.web.app](#)

Asset Management System | React, Firebase Auth, Firestore, TypeScript

Academic/Group Project | mLab | Apr 2026 – May 2026

- Built a full-stack web application for tracking and managing organizational assets
- Implemented Firebase Authentication for secure user login and role-based access
- Used Firestore for real-time asset tracking and data persistence
- Developed the Facilitator Dashboard for asset allocation and management
- Collaborated in a team environment using Git and GitHub for version control
- Role: Backend Developer & Frontend (Facilitator Page)

GitHub: github.com/mlab-aplha/asset-management-system.git

Shopping List App | React, Redux, TypeScript

Personal Project | Jan 2026

- Built a full CRUD application with add, edit, and delete functionality
- Implemented Redux for predictable state management and state persistence
- Focused on clean UI and reusable components for maintainability

GitHub: github.com/peyonce/ShoppingApp.git

UI Challenge App | React, TypeScript

Academic Project | Mar 2026

- Created dynamic UI components using modern design principles
- Applied component-based architecture for scalable code structure
- Used TypeScript for type safety and improved code quality

GitHub: github.com/peyonce/TYPESCRIPT-TASK2.git

ICT Training & Work Experience

Step Up II Program (In Progress) | mLab | Sponsored by GIZ | Jan 2026 – Jun 2026

- Training in cloud computing, system administration, and digital skills
 - Exposure to Microsoft Azure, Salesforce, Zoho CRM, and cybersecurity fundamentals
 - Developing workplace readiness and digital transformation skills for SMEs
-

ICT Certificate (In Progress) | mLab | Jan 2026 – Jun 2026

- Managed client databases and lead tracking using Zoho CRM, including workflow automation
 - Created business reports, spreadsheets, and formatted documents in Microsoft Word and Excel
 - Applied cyber safety practices for data protection, password management, and secure browsing
-

General Worker / Admin Support | Tshepang Electrical | 2022 – 2023

- Maintained accurate records of invoices, purchase orders, and company documentation
 - Assisted with on-site operations and supported team efficiency
 - Ensured workplace safety compliance and accurate data entry
-

Packer | Foodmakers | 2015

- Packed and prepared products according to company standards with 99% accuracy
 - Maintained quality control and met daily production targets
 - Worked collaboratively in a fast-paced team environment
-

Education & Certifications

Certificate	Institution	Status	Year
ICT Certificate	mLab	In Progress	2026 (Expected)

Web Development Certificate	CodeTribe mLab	Completed	2025
Full Stack Development Certificate	FNB Academy	Completed	2025
Backend Development Certificate	Africa Agility	Completed	2025
GenAI Course for Professionals	WeThinkCode	Certificate of Completion	2025

Languages

- Fluent: English, Xitsonga, Sotho, Tswana
 - Intermediate: isiZulu
-

Additional Information

- Open to placements with SMEs, Junior Developer roles, ICT Internships, and Learnerships
- Available immediately
- Willing to relocate within South Africa
